

Cobblestone Pub App — Documentation

This folder has the full operating documentation for the Cobblestone Pub management app. Start with the master SOP, then drop into individual section briefs as needed.

Master document

- **SOP.md** — daily/weekly/monthly checklists, troubleshooting, background jobs, credentials. Read this first.

Per-section briefs

Each is 1-2 pages: what the section does, how to use it, common questions, what to do when something breaks.

1. **01-dashboard.md** — Weekly Performance Dashboard
2. **02-payroll-weekly.md** — Weekly payroll process (timecards → tips → finalize)
3. **03-payroll-accountant.md** — Uploading Peter's PDFs and generating Gmail drafts
4. **04-pto-tracker.md** — Annual leave accrual and usage
5. **05-bookkeeping.md** — Invoice tracking via email, Drive uploads, manual entry
6. **06-bookings.md** — Backroom gig management (high-level; deep-dive in `Cobblestone_Bookings_SOP.pdf`)
7. **07-settings.md** — Employee directory, sync from Square, categories

Specialised guides

8. **08-new-manager-guide.md** — Onboarding sequence for someone new taking over operations
9. **09-year-end-checklist.md** — Last-fortnight-of-December tasks plus January opening

Other docs

- **DEPLOY.md** — deployment notes for Render

- **Cobblestone_Bookings_SOP.pdf** — older, more detailed bookings manual (still relevant for that module)
- **Cobblestone_Manager_Guide.html** — manager training material
